About TSG Collections

TSG Collections, LLC, a collection agency, and the Schutzer Group, PLLC, a law firm, (collectively, the “TSG team”) are both owned and operated by Eric Schutzer, an attorney with approximately 25 years of experience representing healthcare providers nationwide. The Schutzer Group has an A+ rating from the Better Business Bureau.

The TSG team is licensed and bonded has offices in both New York and New Jersey, and is staffed by experienced collectors and attorneys extensively trained in compliance with Federal, State and local laws affecting the healthcare debt collection industry, including but not limited to the Fair Debt Collection Practices Act (FDCPA), Health Insurance Portability and Accountability Act (HIPAA), Telephone Consumer Protection Act (TCPA), and Fair Credit Reporting Act (FCRA). The TSG team’s approach is persistence and insistence, while always maintaining a high level of professionalism. The TSG team recognizes that you have a reputation to maintain and so do they; therefore, they always treat your patients with care and respect. They utilize the latest technologies to locate debtor’s assets. Although the TSG team makes every effort to resolve bills with patients and/or their insurance companies on a voluntary basis, when legal action is appropriate, the TSG team will not let your accounts stagnate.

The combination of their personnel, company philosophy and collection techniques account for the TSG team’s high rate of success (double the industry averages) and their ability to collect accounts where the competition has failed.
